Ambetter Health Community Relations

Impacting Lives and Building Healthier Communities

Through community partnerships and investments that align with our core principles and priorities, we directly address the improvement of access and quality of health care for all, thereby reducing disparities and improving communities.

By creating effective partnerships between our health plans and the people within the community, Ambetter Health is able to positively transform and improve the social drivers of health for our communities and members that reside within them.

Transforming the health of the communities we serve, one person at a time.

Our Village

One CenTeam

We are proud to acknowledge the dedication and support of our internal stakeholders, whose contributions were essential in making the Ambetter Community Health Fairs and Provider Expo a success. As One CenTeam, we came together to transform our communities.

External Partners

The Ambetter Community Health Fairs provided the opportunity to deepen relationships with various local health agencies, providers/federally qualified health centers, nonprofit organizations, brand ambassadors, brokers and vendors (small and WBE/MBE certified businesses).

A very special thank you to our logistics partners at:

The logo for Ambetter Health is centered within a white circle. The word "ambetter" is written in a lowercase, bold, sans-serif font in a dark pink color. Below it, the word "HEALTH" is written in a smaller, uppercase, sans-serif font in the same dark pink color. The background of the entire image consists of various shades of pink and magenta, with several large, overlapping, rounded rectangular shapes in teal, orange, and dark pink.

Provider Expo

Oklahoma City, Oklahoma

Friday, August 22, 2025

In partnership with Ambetter of Oklahoma health plan, Ambetter Health hosted a provider partner event in Oklahoma City, OK. The event brought together eight Health Plan and Corporate teams and more than 50 providers. The event created a collaborative space for providers to engage directly with representatives from multiple departments, ask focused questions, and address current challenges. Participants received a boxed lunch, chair massage and were welcome to come and go as their schedule permitted.

The logo for Ambetter Health is centered within a white circle. The word "ambetter" is written in a lowercase, bold, sans-serif font in a dark pink color. Below it, the word "HEALTH" is written in a smaller, uppercase, sans-serif font in the same dark pink color. The background of the entire image consists of various shades of pink and magenta, with several large, overlapping, rounded rectangular shapes in teal, orange, and dark pink.

Marketing - Member Communications

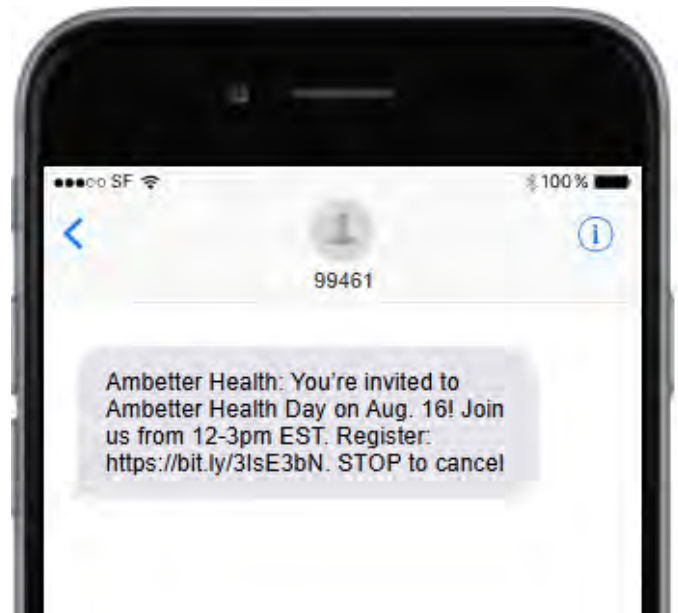

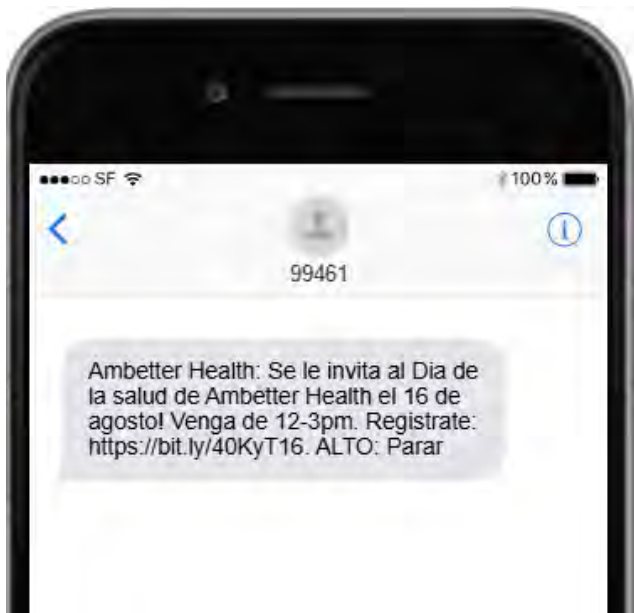

Ambetter Marketing Engagement and Communications (AMEC) worked together to create a multi-channel campaign that connected with both existing members and the general community. Outreach included event emails, text messages to nearby members, web content, and a post-event thank-you message to attendees.

Join us for a free health fair!

Ambetter Health Day is on Saturday, Aug. 16 from 12-3pm EST! We'll see you in Indianapolis at Frederick Douglass Park Family Center.

ambetterhealth What a spectacular Saturday at our Ambetter Community Health Fair with @carolinacompletehealth in Charlotte, NC!

We loved seeing everyone come together for wellness screenings, great conversations, and plenty of Halloween fun, from pumpkin carving to creative costumes and big smiles all around.

Thanks to everyone who joined us and helped make this day such a treat! 🙌

Thank You to Our Volunteers!

What Our Volunteers are Saying About the Ambetter Community Health Fairs:

"One member shared that Ambetter is the best health insurance plan they've ever had. After being diagnosed with diabetes, a care manager reached out to provide support. With personalized guidance, the member adopted a diabetic-friendly diet, avoided medication, and successfully brought their blood sugar levels back to normal. They were thrilled that Ambetter helped them achieve this important health goal!"

- **Program Manager, North Carolina Community Health Fair**

"I wanted to share my thoughts on the recent Ambetter Health Fair [AZ]. This was my first time participating in an event of this nature, and I wasn't sure what to expect with the member-focused approach. It turned out to be an outstanding experience!

The collaboration truly reflected the One CenTeam spirit. I was grateful for the opportunity to help coordinate the mobile mammograms, prostate screenings, and produce bag distribution—all of which added great value for our members."

- **Community Relations, Arizona Community Health Fair**

"A gentleman at the event quietly shared that he was experiencing homelessness and grieving the recent loss of his grandson. I reassured him, lightened the moment by calling him our "AMBETTER VIP," and connected him with team members who could offer support.

Later, he told me he'd finally gotten a long needed cancer screening, enjoyed lunch and good conversation, stayed for the whole event, and even won a grocery gift card.

He left smiling, full of gratitude, and thankful that Ambetter made him feel cared for and supported."

- **Program Manager, Arizona Community Health Fair**

"The health fair was nothing short of amazing. The turnout was great. We were giving out 50 of everything, and the giveaways went quickly. We improvised with some of the additional items we had on hand. We saw more than 150 people.

What we discussed the most was the 988 crisis line. Members were happy to learn that it was available. Many men were especially excited to know that they could text instead of talk. We emphasized the availability and the resources offered through the line. I really enjoyed working at this fair."

- **Care Management, Indiana Community Health Fair**

Thank You to Our Partners!

Every cancer. Every life.

The logo features the text "ambetter" in a lowercase, bold, sans-serif font, with "HEALTH" in a smaller, uppercase, sans-serif font directly below it. Both are contained within a white circle. The background is a vibrant pink with various shades of magenta and orange, featuring abstract, rounded geometric shapes.
