Directorio de proveedores que prestan servicios en centros médicos

Médicos de la red que prestan servicios en centros médicos

Este documento es un listado de los médicos que prestan servicios en centros médicos —organizados por especialidad— que se encuentran dentro de la red de Ambetter y ejercen en un hospital dentro de la red. El listado incluye apartados para radiólogos, anestesistas, patólogos, especialistas en emergencias, neonatólogos y cirujanos auxiliares. Los médicos contratados que prestan servicios en centros médicos se consideran de la red para todos los planes de beneficios de salud de Ambetter.

Aviso importante sobre ciertos especialistas que prestan servicios en centros médicos

Cuando reciba atención en un hospital u otro centro médico de la red, es posible que algunos proveedores que trabajen en ese lugar (por ejemplo, anestesistas, especialistas en emergencias, radiólogos, patólogos) no estén contratados como proveedores de la red de Ambetter. Estos proveedores fuera de la red no pueden facturarle la diferencia entre lo que cubre Ambetter y el cargo que facturan por los servicios prestados. Esta práctica se conoce como “facturación de saldos”. Los proveedores solo pueden facturarle la diferencia si se firmó un aviso y declaración de divulgación de información diez días antes de la fecha en la que usted recibió atención.

Le recomendamos que solicite información sobre los proveedores que lo atenderán antes de empezar su tratamiento, para que pueda saber el estado de estos proveedores en la red de Ambetter. La siguiente lista incluye la información más reciente. Para acceder a la información más actual sobre proveedores, llame a Servicios para miembros al 1-877-687-1196 (Relay Texas/TTY: 1-800-735-2989).
