AcariaHealth is a national comprehensive specialty pharmacy focused on improving care and outcomes for patients living with complex and chronic conditions. AcariaHealth is comprised of dedicated healthcare professionals who work closely with physician offices, including support with referral and prior authorization processes. This collaboration allows our patients to receive the medicine they need as fast as possible.

For Home Infusion/Enteral Services

Once Authorization Approval is obtained through Ambetter, if required, please contact Provider Services for a list of our providers to initiate services.
