Your Ambetter HSP Health Plan Ends December 31, 2022
Covered California will enroll you onto a new Health Net of California, Inc. (Health Net)
Ambetter HMO plan for 2023!

Dear «MBR_FIRST_NAME» «MBR_LAST_NAME»,

Hello! Thank you for choosing Health Net for your health care needs. We're here to help you prepare for Open Enrollment. Please read this letter – it includes information about your new 2023 health plan.

What you need to know

Your Ambetter HSP plan will no longer be offered in 2023. But, you will still have health coverage:

- **You will not need to take any action.** Covered California will enroll you and your covered dependents in an Ambetter HMO plan that starts January 1, 2023.
- Ambetter HMO plans offer the same benefits as your current plan. **Note:** Some coverage and cost-share updates for the new plan year may apply.
- You will get a new member ID card in December.
- Your primary care physician (PCP) is available in the Ambetter HMO network. You will be assigned to your PCP on your new plan.
- Your Plan Contract and Evidence of Coverage contains a complete description of your benefits. See the Ambetter HMO Plan Overview and the *What to Expect from Your New Ambetter HMO Plan* insert which highlights some of the changes that will be effective January 1, 2023.

What you need to do

- The 2023 plan¹ you will renew in is: «NEW_PLAN_NAME».
- See the enclosed required notice with information about your 2023 payment rate and other details.
- To view, download or print a copy of the *Summary of Benefits and Coverage* (SBC) for your 2023 plan go to www.myhealthnetca.com/sbc during open enrollment that begins November 1.

If you prefer to get your SBC from us, you can call our Customer Contact Center at 888-926-4988 (TTY: 711).

Log in at www.CoveredCA.com

- Check your account information to make sure it's all up to date.
- Confirm your income if you receive premium assistance. This step is required to qualify for premium assistance again in 2023.

California's enrollment period for 2023 runs from November 1, 2022, through January 31, 2023. This is the time you can renew or change your health plan for the new year.

Since your plan is closing, you can use the special enrollment period (SEP) to enroll in a new health plan. The SEP lasts 60 days from the date of the loss of health coverage. The SEP ends on March 1, 2023.

Contact your broker or let Health Net be your guide if you'd like to explore other options. To learn more about all our health plans, visit www.myhealthnetca.com during the enrollment period. You can also call us at 877-609-8711.

No need to change your automatic bill pay

If you use automatic bill pay to make your monthly Health Net premium payments, this feature will stay active. This is true even with your change to a new plan type.

To update your debit or credit card information, or to switch the bank account you use for your monthly premium payments, just log in to your account at www.myhealthnetca.com.

A health plan for yourself and your loved ones is always the right choice

**Your information is current
as of: «ASOF_DATE»¹**

Important: Your plan will no longer be offered through the Exchange. Take action by December 31, 2022, or you'll be automatically enrolled in a different Covered California plan. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing Health Net of California, Inc. (Health Net) for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

Beginning January 1, 2023, we won't offer your current health coverage in Covered California. The last day of your current Covered California coverage is December 31, 2022. Read this letter carefully and review your options. Also make sure to update your information with Covered California.

Your new plan for 2023

We found another Covered California plan that may meet your needs. Starting in January, you'll automatically be enrolled in Ambetter HMO.

Your new premium

- Your 2022 monthly premium is \$«CURRENTLY_PAYING». This reflects a monthly premium of \$«CURRENT_RATE» minus \$«APTC_PLUS_STATE_SUBSIDY» of financial help per month.
- **Your new monthly payment (starting in January) is estimated: \$«NEW_RATE_MINUS_FIN_HELP».** This reflects an estimated monthly premium of \$«NEW_RATE» minus the same amount of financial help you're getting now. **However, your financial help may be different next year.** You'll see your new monthly payment when you receive your January bill.

Important: This estimated monthly payment is based on current information we have for 2022. It doesn't account for changes that could impact your amount of financial help, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of financial help you qualify for in 2023 and your new premium amount, update your Covered California application. See below for more information.

Other changes

- Your Plan Contract and Evidence of Coverage contains a complete description of your benefits. See the Ambetter HMO Plan Overview and the *What to Expect from Your New Ambetter HMO Plan* insert which highlights some of the changes that will be effective January 1, 2023.
- You can review more details about this plan at www.myhealthnetca.com and in your 2023 Summary of Benefits and Coverage.

If you want to pick another plan, enroll by December 31, 2022, to make sure you have the coverage you want. See below for more information.

What you need to do

1. Update your Covered California account by December 31, 2022.

Review your Covered California account to make sure the information is still current and correct, and to see if you may qualify for more or less financial help in 2023 than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Decide if you want to enroll in this plan or choose another one.

I want to enroll in this plan.

Pay the monthly premium by the date on your invoice and you'll be automatically enrolled.

I want to pick a different plan.

You can choose a different plan between November 1, 2022 - January 31, 2023. Enroll by December 31, 2022, for coverage to start January 1.

Here are some ways to look at other plans and enroll:

- Visit CoveredCA.com to see other Covered California plans. Consumers who shop can save hundreds of dollars per year and can find a plan that best meets their needs and budget.
- Check with Health Net to see what other plans may be available.

Note: If you got financial help in 2022 to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during 2022 with the amount you actually qualify for based on your final 2022 household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.
