Lista de Proveedores de la Red

MENTAL HEALTH PROVIDERS

Please note: Not all Health Net plans cover mental health and substance abuse treatment. Although this directory contains listings for mental health and substance abuse treatment professionals, if you seek care from one of them, your treatment will be covered only if – and only to the extent that – your plan covers mental health and substance abuse treatment through this network.

Prior to seeking treatment, please verify that your health plan includes coverage for mental health and substance abuse treatment. In addition, please verify whether your plan allows mental health and substance abuse visits through the network covered in this directory or through the separate MHN network. To do this, consult your group's plan materials (Summary of Benefits or plan documents) or call Health Net at the phone number listed on your ID card.

PROVEEDORES DE SALUD MENTAL

Tenga en cuenta que: No todos los planes de Health Net cubren los tratamientos de salud mental y de abuso de sustancias. Aunque este directorio cuenta con listas de profesionales para el tratamiento de salud mental y de abuso de sustancias, si busca atención por parte de ellos, su tratamiento sólo estará cubierto si (y sólo en la medida que) su plan cubra el tratamiento de salud mental y de abuso de sustancias a través de esta red.

Antes de buscar tratamiento, verifique que su plan de salud incluya cobertura para el tratamiento de salud mental y de abuso de sustancias. Además, verifique si su plan permite consultas de salud mental y de abuso de sustancias a través de la red cubierta en este directorio o a través de la red aparte MHN. Para hacer esto, consulte sus materiales del plan del grupo (Resumen de Beneficios o documentos del plan) o llame a Health Net al número de teléfono que está en su tarjeta de identificación.
