In this *contract*, the terms "*you*", "*your*" or "*yours*" will refer to the *member* or any dependents enrolled in this *contract*. The terms "*we*," "*our*," or "*us*" will refer to Ambetter from Peach State Health Plan.

AGREEMENT AND CONSIDERATION

In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for *covered services* as outlined in this *contract*. Benefits are subject to *contract* definitions, provisions, limitations and exclusions.

GUARANTEED RENEWABLE

Annually, we must file this product, the cost share and the rates associated with it for approval. Guaranteed renewable means that your plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with Contract terms. You may keep this Contract (or the new contract you are mapped to for the following year) in force by timely payment of the required premiums. In most cases you will be moved to a new contract each year, however, we may decide not to renew the Contract as of the renewal date if: (1) we decide not to renew all Contracts issued on this form, with a new contract at the same metal level with a similar type and level of benefits, to residents of the state where you then live; (2) we withdraw from the Service Area or reach demonstrated capacity in a Service Area in whole or in part; or (3) there is fraud or an intentional material misrepresentation made by or with the knowledge of a Member in filing a claim for Covered Services.

In addition to the above, this guarantee for continuity of coverage shall not prevent us from cancelling or non-renewing this Contract in the following events: (1) non-payment of premium; (2) a Member moves outside the Service Area; (3) a Member fails to pay any Deductible or Copayment Amount owed to us and not the Provider of services; (4) a Member is found to be in material breach of this Contract; or (5) a change in federal or state law, no longer permits the continued offering of such coverage, such as CMS guidance related to individuals who are Medicare eligible.

Annually, *we* will change the rate table used for this *contract* form. Each premium will be based on the rate table in effect on that premium's due date. The policy plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. We have the right to change premiums.

At least 31 day notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *contract* or a change in a *member's* health. While this *contract* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to you at least 90 days prior to the date that *we* discontinue coverage.

This *contract* contains *prior authorization* requirements. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the *Prior Authorization* Section.

TEN DAY RIGHT TO RETURN CONTRACT

Please read your *contract* carefully. If you are not satisfied, return this *contract* to us or to our agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *contract* will be considered null and void from the *effective date*.

 - a. When a *covered service* is received from a *non-network provider* as a result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the provider as payment in full (*you* will not be billed for the difference between the negotiated fee and the provider's charge). You may be billed for the difference between the amount paid and the provider's charge.

- b. When a *covered service* is received from a *non-network provider* as approved or *authorized* by *us* and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the provider as payment in full (*you* will not be billed for the difference between the negotiated fee and the provider's charge). If there is no negotiated fee agreed to by the provider with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service* for the geographical area in which the *covered service* is received. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. *You* may be billed for the difference between the amount paid and the provider's charge.
- c. When a *covered service* is received from a *non-network provider* and is not the result of an *emergency*, and there is not a *network provider* reasonably accessible, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon *us* and the provider as payment in full (*you* will not be billed for the difference between the negotiated fee and the provider's charge). If there is no negotiated fee agreed to by the provider with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service* for the geographical area in which the *covered service* is received. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. *You* may be billed for the difference between the amount paid and the provider's charge.

If no credible scientific evidence is available, then standards that are based on *provider* specialty society recommendations or professional standards of care may be considered. *We* reserve the right to consult medical professionals in determining whether a healthcare service, supply, or drug is *medically necessary* and is a *covered service* under the *contract*. The decision to apply *provider* specialty society recommendations, the choice of medical professional, and the determination of when to use any such opinion, will be determined by *us*.

Loss of *eligibility* for coverage includes, but is not limited to:

1. Loss of eligibility for coverage as a result of legal separation, divorce, cessation of dependent status (such as attaining the maximum age to be eligible as a dependent child under the plan), death of an employee, termination of employment, reduction in the number of hours of employment, and any loss of *eligibility* for coverage after a period that is measured by reference to any of the foregoing;

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* have received notification from the Health Insurance Marketplace. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Health Insurance Marketplace within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption; or
2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Coverage for Other Dependent Members

If *you* are enrolled in an off-exchange policy and apply in writing for coverage on a *dependent member* and *you* pay the required premiums, we will send *you* written confirmation of the added *dependent's* effective date of coverage and ID Cards for the added *dependent*.

Prior Coverage

If a member is confined as an *inpatient* in a *hospital* on the effective date of this agreement, and prior coverage terminating immediately before the effective date of this agreement furnishes benefits for the *hospitalization* after the termination of prior coverage, then services and benefits will not be covered under this agreement for that member until the member is discharged from the *hospital* or benefits under the prior coverage are exhausted, whichever is earlier.

ONGOING ELIGIBILITY

For All Members

A *member's* eligibility for coverage under this *contract* will cease on the earlier of:

1. The date that a *member* has failed to pay premiums or contributions in accordance with the terms of this *contract* or the date that we have not received timely premium payments in accordance with the terms of this *contract*; or
2. The date the *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact; or
3. The date of termination that the Marketplace provides us upon your request of cancellation to the Marketplace, or if you enrolled directly with us, the date we receive a request from you to terminate this contract, or any later date stated in your request.
4. The date we decline to renew this *contract*, as stated in the Discontinuance provision;
5. The date of a *covered person's* death; or
6. The date a *covered person's* eligibility for insurance under this *policy* ceases due to losing *network* access as the result of a permanent move.

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member*. For *eligible* children, coverage will terminate on the thirty-first day of December the year that the dependent turns 26 years of age.

We must receive notification within 90 days of the date a *dependent member* ceases to be an eligible *dependent member*. If notice is received by us more than 90 days from this date, any unearned premium will be credited only from the first day of the *policy*/calendar month in which we receive the notice.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. The open enrollment period begins November 1, 2018 and extends through December 15, 2018. *Qualified individuals* who enroll on or before December 15, 2018 will have an *effective date* of coverage on January 1, 2019.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credit* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credit* and *cost-sharing reduction* payments until the first of the next month.

Special Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or *dependent* loses *minimum essential coverage*;
2. A *qualified individual* gains a dependent or becomes a *dependent* through marriage, birth, adoption or placement for adoption;

3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;
4. A *qualified* individual's enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
5. An enrollee adequately demonstrates to the Health Insurance Marketplace that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its *contract* in relation to the enrollee;
6. An individual is determined newly eligible or newly ineligible for *advanced premium tax credit* or has a change in eligibility for *cost-sharing reductions*, regardless of whether such individual is already enrolled in a *qualified* health plan;
7. A *qualified individual* or enrollee gains access to new Qualified health plans as a result of a permanent move;
8. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended;
9. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified health plan* or change from one *qualified* health plan to another one time per month; or
10. A *qualified individual* or enrollee demonstrates to the Health Insurance Marketplace, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Health Insurance Marketplace may provide.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credit* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credit* and *cost-sharing reduction* payments until the first of the next month.

If *you* have material modifications (examples include a change in life event such as marriage, death or other change in family status), or questions related to *your* health insurance coverage, contact the Health Insurance Marketplace at www.healthcare.gov or 1-800-318-2596. If you enrolled through Ambetter from Peach State, contact 1-877-687-1180.

PREMIUMS

Premium Payment

Each premium is to be paid to *us* on or before its due date. The initial premium must be paid prior to the coverage effective date, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 3 months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advanced premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. *We* will notify HHS of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the second and third month of the grace period. *We* will continue to collect *advanced premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advanced premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A *member* is not eligible to re-enroll once terminated, unless a member has a special enrollment circumstance, such as a marriage or birth in the family, or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a one (1) month grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *contract* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. *We* will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the grace period.

Third Party Payment of Premiums

Ambetter from Peach State requires each policy holder to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Center for Medicare and Medicaid Services (CMS) recommendations against accepting third party premiums. Consistent with CMS guidance, the following are the only acceptable third parties who may pay Ambetter premiums on your behalf:

1. Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations or urban Indian organizations;
3. State and Federal Government programs; or
4. Family members.
5. Private, not-for-profit foundations which have no incentive for financial gain, no financial relationship, or affiliation with *providers* of *covered services* and supplies on behalf of *members*, where eligibility is determined based on defined criteria without regard to health status and where

payments are made in advance for a coverage period from the *effective date* of eligibility through the remainder of the calendar year.

Upon discovery that premiums were paid by a person or entity other than those listed above, we will reject the payment and inform the member that the payment was not accepted and that the subscription charges remain due.

Misstatement of Age

If a *member's* age has been misstated, the Member's premium may be adjusted to what it should have been based on the Member's actual age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify *us* of *your* new *residence* within 60 days of the change. *Your* premium will be based on *your* new *residence* beginning on the first premium due date/first day of the next calendar month after the change. If *your residence* is misstated on *your* application, or *you* fail to notify *us* of a change of *residence*, *we* will apply the correct premium amount beginning on the first premium due date/first day of the first full calendar month *you* resided at that place of *residence*. If the change results in a lower premium, *we* will refund any excess premium. If the change results in a higher premium, *you* will owe *us* the additional premium.

Misstatement of Tobacco Use

The answer to the tobacco question on the application is material to *our* correct underwriting. If a *member's use of tobacco* has been misstated on the *member's* application for coverage under this *contract*, *we* have the right to rerate the *contract* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* may charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

COST SHARING FEATURES

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the *covered services* sections of this *contract*. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance amount* when you visit your *provider* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

Copayments

Members may be required to pay *copayments* at the time of services as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of an additional billing if the service is determined to be a non-covered service. *Copayments* do not apply toward the *deductible amount*, but do apply toward meeting the *maximum out-of-pocket* amount.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all *members* before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance amount*. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Refer to your *Schedule of Benefits* for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *contract*; and
2. A determination of *eligible service expenses*; and

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill you receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, you are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills you for the services or supplies. Any amount you are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to your *deductible amount* or *maximum out-of-pocket*.

ACCESS TO CARE

Primary Care Provider

In order to obtain benefits, *you* must designate a *network primary care physician* for each *member*. *You* may select any *network primary care physician* who is accepting new patients. However, *you* may not change your selection more frequently than once each month. If *you* do not select a *network primary care physician* for each *member*, one will be assigned. *You* may obtain a list of *network primary care physicians* at our website or by calling the telephone number shown on the front page of this *contract*.

You may be required to obtain a referral from a primary care *provider* in order to receive care from a specialist provider.

Your *network primary care provider* will be responsible for coordinating all covered health services with other network *providers*. *You* do not need a referral from your *network primary care provider* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a network obstetrician or gynecologist.

You may change your *network primary care provider* by submitting a written request, online at our website, or by contacting our office at the number shown on your identification card. The change to your *network primary care provider* of record will be effective no later than 30 days from the date we receive your request.

Network Availability

Your *network* is subject to change. The most current *network* may be found online at our website or by contacting us at the number shown on your identification card. A *network* may not be available in all areas. If *you* move to an area where we are not offering access to a *network*, the *network* provisions of the *policy* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network providers*. *You* will be notified of any increase in premium.

Prescription Drug Exception Process

Standard exception request

A *member*, a *member's* designee or a *member's* prescribing *provider* may request a standard review of a decision that a drug is not covered by the plan. The request can be made in writing or via telephone. Within 72 hours of the request being received, we will provide the *member*, the *member's* designee or the *member's* prescribing *provider* with our coverage determination. Should the standard exception request be granted, we will provide coverage of the non-formulary drug for the duration of the prescription, including refills.

Expedited exception request

A *member*, a *member's* designee or a *member's* prescribing *provider* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, we will provide the *member*, the *member's* designee or the *member's* prescribing *provider* with our coverage determination. Should the standard exception request be granted, we will provide coverage of the non-formulary drug for the duration of the exigency.

External exception request review

If we deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization. We will make our determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *provider* of our coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If we grant an external exception review of a standard exception request, we will provide coverage of the non-formulary drug for the duration of the prescription. If we grant an external exception review of an expedited exception request, we will provide coverage of the non-formulary drug for the duration of the exigency.

An *inpatient* stay is covered for mother and newborn for a minimum of 48 hours following a vaginal delivery and 96 hours following a delivery by cesarean section. We do not require that a *provider* or other healthcare provider obtain *prior authorization*.

- (1) Give birth in a *hospital* or other healthcare facility; or
- (2) Remain under *inpatient* care in a *hospital* or other healthcare facility for any fixed term following the birth of a child.

Newborns' and Mothers' Health Protection Act Statement of Rights

Health insurance issuers generally may not, under federal law, restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain *authorization* from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Clinical Trial Coverage

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. 2. Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and

8. An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects; or
9. A qualified non-governmental research entity that meets the criteria for NIH Center support grant eligibility.

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards.

PRIOR AUTHORIZATION

Prior Authorization Required

Some *covered service expenses* require *prior authorization*. In general, *network providers* must obtain authorization from *us* prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require prior authorization, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from *us* before *you* or *your dependent member*:

1. Receives a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receives a service or supply from a *network provider* to which *you* or *your dependent member* were referred by a *non-network provider*.

Prior Authorization requests must be received by telephone, fax or provider web portal as follows:

1. At least 5 days prior to an elective admission as an inpatient in a *hospital*, extended care or rehabilitation facility, or hospice facility.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any emergent admission, including emergent *inpatient* admissions.
5. At least 5 days prior to the start of home health care except those members needing home health care after *hospital* discharge.

After prior authorization has been requested and all required or applicable documentation has been submitted, we will notify you and your provider if the request has been approved as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an emergency admission.
2. For urgent concurrent review within 24 hours of receipt of the request.
3. For urgent pre-service, within 72 hours from date of receipt of request.
4. For non-urgent pre-service requests within 5 days but no longer than 15 days of receipt of the request.
5. For post-service requests, with in 30 calendar days of receipt of the request.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained prior authorization, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced.

Network providers cannot bill *you* for services for which they fail to obtain prior authorization as required.

In cases of emergency, benefits will not be reduced for failure to comply with prior *authorization* requirements. However, you must contact us as soon as reasonably possible after the emergency occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *contract*.

Requests for Predeterminations

You may request a predetermination of coverage. *We* will provide one if circumstances allow *us* to do so. However, *we* are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination *we* may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by *us*.
2. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

Services from Non-Network Providers

Except for emergency medical services rendered by nonparticipating facility-based physician and provider, unless *covered services* are not available from *network providers* within a reasonable proximity such services will not be covered. If required *medically necessary* services are not available from *network providers* you or the *network provider* must request *prior authorization* from us before you may receive services from *non-network providers*. Otherwise you will be responsible for all charges incurred.

Hospital Based Providers

When receiving care at an Ambetter from Peach State participating *hospital* it is possible that some *hospital*-based providers (for example, anesthesiologists, radiologists, pathologists) may not be under contract with Ambetter as participating providers. These providers may bill *you* for the difference between Ambetter's allowed amount and the providers billed charge – this is known as "*balance billing*". We encourage you to inquire about the providers who will be treating you before you begin your treatment, so *you* can understand their participation status with Ambetter.

Although health care services may be or have been provided to you at a health care facility that is a member of the provider *network* used by Ambetter, other professional services may be or have been provided at or through the facility by *providers* and other *medical practitioners* who are not members of that *network*. You may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by Ambetter.

2. The date *we* receive a request from *you* to terminate this *contract*, or any later date stated in *your* request; or
3. For a dependent child reaching the limiting age of 26, coverage under this contract, for a dependent child, will terminate at 11:59 p.m. on the last day of the year in which the dependent child reaches the limiting age of 26.

Such cancellation shall become effective upon receipt, or on such later date specified in the notice. If *you* cancel, *we* shall promptly return any unearned portion of the premium paid, but in any event shall return the unearned portion of the premium within 30 days. The earned premium shall be computed on a pro-rata basis. Cancellation shall be without prejudice to any claim originating prior to the *effective date* of the cancellation.

Discontinuance

90-Day Notice: If *we* discontinue offering and refuse to renew all *contracts* issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage. *You* will be offered an option to purchase any other coverage in the individual market *we* offer in *your* state at the time of discontinuance of this *contract*. This option to purchase other coverage will be on a guaranteed issue basis without regard to health status.

180-Day Notice: If *we* discontinue offering and refuse to renew all individual *contracts* in the individual market in the state where *you* reside, *we* will provide a written notice to *you* and the Commissioner of Insurance at least 180 days prior to the date that *we* stop offering and terminate all existing individual *contracts* in the individual market in the state where *you* reside.

Notification Requirements

It is the responsibility of *you* or *your* former *dependent member* to notify *us* within 31 days of *your* legal divorce or *your dependent member's* marriage. *You* must notify *us* of the address at which their continuation of coverage should be issued.

Continuation of Coverage

We will issue the continuation of coverage:

1. No less than 30 days prior to a *member's* 26th birthday; or
2. Within 30 days after the date *we* receive timely notice of *your* legal divorce or *dependent member's* marriage. *Your* former *dependent member* must pay the required premium within 31 days following notice from *us* or the new *contract* will be void from its beginning.

REIMBURSEMENT

If a *member's illness or injury* is caused by the acts or omissions of a *third party*, we will not cover a *loss* to the extent that it is paid as part of a settlement or judgment by any *third party*.

However, if payment by or for the *third party* has not been made by the time we receive acceptable *proof of loss*, we will pay regular *contract* benefits for the *member's loss*. We will have the right to be reimbursed to the extent of benefits we provided or paid for the *illness or injury* if the *member* subsequently receives any payment from any *third party*. The *member* (or the guardian, legal representatives, estate, or heirs of the *member*) shall promptly reimburse us from the settlement, judgment, or any payment received from any *third party*.

As a condition for *our* payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with us in order to obtain information about the *loss* and its cause.
2. To immediately inform us in writing of any claim made or lawsuit filed on behalf of a *member* in connection with the *loss*.
3. To include the amount of benefits paid by us on behalf of a *member* in any claim made against any *third party*.
4. That we:
 - a. Will have a lien on all money received by a *member* in connection with the *loss* equal to the benefit amount we have provided or paid.
 - b. May give notice of that lien to any *third party* or *third party's* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights.
5. To take no action that prejudices *our* reimbursement and subrogation rights.
6. To sign, date, and deliver to us any documents we request that protect *our* reimbursement rights.
7. To not settle any claim or lawsuit against a *third party* without providing us with written notice of the intent to do so.
8. To reimburse us from any money received from any *third party*, to the extent of benefits we paid for the *illness or injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses.
9. That we may reduce other benefits under the *contract* by the amounts a *member* has agreed to reimburse us.

If a dispute arises as to the amount a *member* must reimburse us, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by us until the dispute is resolved.

CLAIMS

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent member* had no legal capacity to submit such proof during that *year*.

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully with *us* to assist *us* in determining *our* rights and obligations under the *contract* and, as often as may be reasonably necessary:

1. Sign, date and deliver to *us* authorizations to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *contract*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the covered person.

Time for Payment of Claims

Benefits will be paid as soon as *we* receive proper *proof of loss*.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give a valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may elect to pay, in *our* discretion, all or any part of the benefits provided by this *contract* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other party providing such services to *you*. By reserving the right to pay, in *our* discretion, all or any part of the benefits provided for in this *contract* directly to a *hospital* or other person providing surgical, nursing, or medical service to *you*, *we* are not granting any *hospital* or other person rendering surgical, nursing or medical services any right to demand direct payment or any right to enforce any provision of this *contract*; nor are we waiving the Non-Assignment provision of this *contract* set forth below.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. *We* reserve the right to deduct any overpayment made under this *contract* from any future benefits under this *contract*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the provider.

Non-Assignment

The coverage, rights, privileges and benefits provided for under this *contract* are not assignable by *you* or anyone acting on your behalf. Any assignment or purported assignment of coverage, rights, privileges and benefits provided for under this *contract* that *you* may provide or execute in favor of any *hospital, provider, or any other person or entity* shall be null and void and shall not impose any obligation on *us*.

No Third Party Beneficiaries

This *contract* is not intended to, nor does it, create or grant any rights in favor of any third party, including but not limited to any *hospital, provider or medical practitioner* providing services to *you*, and this *contract* shall not be construed to create any third party beneficiary rights.

Medicaid Reimbursement

The amount provided or payable under this *contract* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *contract* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. *We* receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *contract* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if *we* receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions and limitations of the *contract*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital or medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

No action at law or in equity may be brought against *us* under the *contract* for any reason unless the *member* first completes all the steps in the *complaint/grievance* procedures made available to resolve disputes in *your* state under the *contract*. After completing that *complaint/grievance* procedures process, if *you* want to bring legal action against *us* on that dispute, *you* must do so within three years of the date *we* notified *you* of the final decision on *your complaint/grievance*.

GRIEVANCE AND COMPLAINT PROCEDURES

INTERNAL PROCEDURES:

Applicability/Eligibility

The internal *grievance* procedures apply to any *hospital* or medical policy or certificate, but not to accident only or disability only insurance.

An Eligible grievant is:

1. A claimant;
2. Person authorized to act on behalf of the claimant. **Note:** Written authorization is not required; however, if received, we will accept any written expression of authorization without requiring specific form, language, or format.
3. In the event the claimant is unable to give consent: a *spouse*, family member, or the treating Provider; or
4. In the event of an *expedited grievance*: the person for whom the insured has verbally given authorization to represent the claimant.

Important: *Adverse benefit determinations* that are not *grievances* will follow standard PPACA internal appeals processes.

Grievances

Claimants have the right to submit written comments, documents, records, and other information relating to the claim for benefits. Claimants have the right to review the claim file and to present evidence and testimony as part of the internal review process.

Grievances will be promptly investigated and presented to the internal *grievance* panel. A plan that is providing benefits for an ongoing course of treatment cannot be reduced or terminated without providing advance notice and an opportunity for advance review. The plan is required to provide continued coverage pending the outcome of an appeal. You have up to 180 calendar days to file a *grievance*. The 180 calendar days start on the date of the situation you are not satisfied with.

Resolution Timeframes

1. *Grievances* regarding quality of care, quality of service, or *reformation* will be resolved within 30 calendar days of receipt. The time period may be extended for an additional 14 calendar days (making the maximum time for the entire *grievance* process 45 calendar days) if *we* provide the *claimant* and the *claimant's* authorized representative, if applicable, written notification of the following within the first 30 calendar days:
 - a. That *we* have not resolved the *grievance*;
 - b. When *our* resolution of the *grievance* may be expected; and
 - c. The reason why the additional time is needed.
2. All other *grievances* will be resolved and *we* will notify the *claimant* in writing with the appeal decision within the following timeframes:
 - a. Post-service claim: within 60 calendar days after receipt of the *claimant's* request for internal appeal.
 - b. Pre-service claim: within 30 calendar days after receipt of the *claimant's* request for internal appeal.

A claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits,

regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal appeal.

1. The claimant will receive from the plan, as soon as possible, any new or additional evidence considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new information before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new information.
2. The claimant will receive from the plan, as soon as possible, any new or additional medical rationale considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new medical rationale before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new medical rationale.

Refer to a later section for information regarding internal *expedited grievances*.

Acknowledgement

Within five business days of receipt of a *grievance*, a written acknowledgment to the claimant or the claimant's authorized representative confirming receipt of the *grievance* must be delivered or deposited in the mail.

When acknowledging a *grievance* filed by an authorized representative, the acknowledgement shall include a clear and prominent notice that healthcare information or medical records may be disclosed only if permitted by law.

1. The acknowledgement shall state that unless otherwise permitted under applicable law, informed consent is required and the acknowledgement shall include an informed consent form for that purpose.
2. If such disclosure is prohibited by law, healthcare information or medical records may be withheld from an authorized representative, including information contained in its resolution of the *grievance*.
3. A *grievance* submitted by an authorized representative will be processed regardless of whether healthcare information or medical records may be disclosed to the authorized representative under applicable law.

Grievance Panel

The *grievance* panel will not include the person who made the initial determination and is not the subordinate of the original reviewer. The panel may, however, consult with the initial decision-maker. If the panel consists of at least three persons, the panel may then include no more than one subordinate of the person who made the initial determination.

The *grievance* panel will include:

1. At least one individual authorized to take corrective action on the *grievance*; and
2. At least one insured other than the grievant, if an insured is available to serve on the *grievance* panel. The insured member of the panel shall not be an employee of the plan, to the extent possible.

When the *adverse benefit determination* is based in whole or in part on a medical judgment, the *grievance* panel will consult with a licensed healthcare provider with expertise in the field relating to the *grievance* and who was not consulted in connection with the original *adverse benefit determination*.

Expedited Grievance

An *expedited grievance* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

An *expedited grievance* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 72 hours after receipt of the *grievance*.

Due to the 72-hour resolution timeframe, the standard requirements for notification, *grievance* panel and acknowledgement do not apply to *expedited grievances*.

Upon written request, *we* will mail or electronically mail a copy of the claimant's complete policy to the claimant or the claimant's authorized representative as expeditiously as the *grievance* is handled.

Written Grievance Response

Grievance response letters shall describe, in detail, the *grievance* procedure and the notification shall include the specific reason for the denial, determination or initiation of disenrollment.

The panel's written decision to the grievant must include:

1. The disposition of and the specific reason or reasons for the decision;
2. Any corrective action taken on the *grievance*;
3. The signature of one voting member of the panel; and
4. A written description of position titles of panel members involved in making the decision.
5. If upheld or partially upheld, it is also necessary to include:
 - a. A clear explanation of the decision;
 - b. Reference to the specific plan provision on which the determination is based;
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits.
 - d. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
 - e. If the *adverse benefit determination* is based on a medical necessity or *experimental treatment* or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 - f. Identification of medical experts whose advice was obtained on behalf of the health plan, without regard to whether the advice was relied upon in making the *adverse benefit determination*;
 - g. The date of service;

- p. That assistance is available by contacting the specific state's consumer assistance department, if applicable; and
- q. A culturally linguistic statement based upon the claimant's county or state of *residence* that provides for oral translation of the *adverse benefit determination*, if applicable.

Complaints

Basic elements of a *complaint* include:

1. The complainant is the claimant or an authorized representative of the claimant;
2. The submission may or may not be in writing; and
3. The issue may refer to any dissatisfaction about:
 - a. Us (as the insurer); e.g., Member Services *complaints* - "the person to whom I spoke on the phone was rude to me";
 - b. Providers with whom we have a direct or indirect contract:
 - i. Lack of availability and/or accessibility of *network providers* not tied to an unresolved benefit denial;
Note: When the dissatisfaction is related to services from or access to a network provider, notify the Provider Relations and Network Development Department.
 - ii. Quality of care/quality of service issues;
4. Written expressions of dissatisfaction regarding quality of care/quality of service are processed as *grievances*.
5. Oral expressions of dissatisfaction regarding quality of care/quality of service are processed as *complaints* as indicated in standard oral *complaint* instructions.
6. Any of the issues listed as part of the definition of *grievance* received from the *claimant* or the claimant's authorized representative where the caller has not submitted a written request but calls us to escalate their dissatisfaction and request a verbal/oral review.

Complaints received from the State Insurance Department

The commissioner may require *us* to treat and process any *complaint* received by the State Insurance Department by, or on behalf of, a claimant as a *grievance* as appropriate. *We* will process the State Insurance Department *complaint* as a *grievance* when the commissioner provides *us* with a written description of the *complaint*.

External Review

An external review decision is binding on *us*. An external review decision is binding on the claimant except to the extent the claimant has other remedies available under applicable federal or state law. *We* will pay for the costs of the external review performed by the independent reviewer.

Applicability/Eligibility

The *grievance* procedures apply to:

1. Any hospital or medical policy or certificate; excluding accident only or disability income only insurance.

After exhausting the internal review process, the claimant has four months (120 calendar days) to make a written request to the Grievance Administrator for external review after the date of receipt of *our* internal response.

1. The internal appeal process must be exhausted before the claimant may request an external review unless the claimant files a request for an expedited external review at the same time as an internal

expedited grievance or we either provide a waiver of this requirement or fail to follow the appeal process.

2. A health plan must allow a claimant to make a request for an expedited external review with the plan at the time the claimant receives:
 - a. An *adverse benefit determination* if the determination involves a medical condition of the claimant for which the timeframe for completion of an internal *expedited grievance* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an internal *expedited grievance*;
 - b. A final internal *adverse benefit determination*, if the claimant has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or if the final internal *adverse benefit determination* concerns an admission, availability of care, continued stay, or healthcare item or service for which the claimant received emergency services, but has not been discharged from a facility.
3. Claimants may request an expedited external review at the same time the internal *expedited grievance* is requested and an Independent Review Organization (IRO) will determine if the internal *expedited grievance* needs to be completed before proceeding with the expedited external review.

External review is available for *grievances* that involve:

1. Medical judgment, including but not limited to those based upon requirements for medical necessity, appropriateness, healthcare setting, level of care or effectiveness of a covered benefit; or the determination that a treatment is experimental or investigational, as determined by an external reviewer; or
2. *Rescissions* of coverage.

External Review Process

1. We have five business days (immediately for expedited) following receipt of the request to conduct a preliminary review of the request to determine whether:
 - a. The individual was a covered person at the time the item or service was requested;
 - b. The service is a *covered service* under the claimant's health plan but for the plan's *adverse benefit determination* with regard to *medical necessity experimental/investigational*, medical judgment, or *rescission*;
 - c. The claimant has exhausted the internal process; and
 - d. The claimant has provided all of the information required to process an external review.
2. Within one business day (immediately for expedited) after completion of the preliminary review, we will notify the claimant in writing as to whether the request is complete but not eligible for external review and the reasons for its ineligibility or, if the request is not complete, the additional information needed to make the request complete.
3. We must allow a claimant to perfect the request for external review within the four-month filing period or within the 48-hour period following the receipt of notification.
4. We will assign an IRO on a rotating basis from our list of contracted IROs.
5. Within five business days after the date of assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO.

Note: For expedited, after assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO electronically or by telephone or facsimile or any other available expeditious method.
6. If we fail to timely provide the documents and information, the IRO may terminate the external review and make a decision to reverse the *adverse benefit determination*.

7. Within 10 business days, the assigned IRO will timely notify the claimant in writing of the request's eligibility and acceptance for external review. The notice will include a statement that the claimant may submit in writing additional information to the IRO to consider.
8. Upon receipt of any information submitted by the claimant, the IRO must forward the information to us within one business day.
9. Upon receipt of the information, we may reconsider our determination. If we reverse our *adverse benefit determination*, we must provide written notice of the decision to the claimant and the IRO within one business day after making such decision. The external review would be considered terminated.
10. Within 45 days (72 hours for expedited) after the date of receipt of the request for an external review by the health plan, the IRO will review all of the information and provide written notice of its decision to uphold or reverse the *adverse benefit determination* to the claimant and to us. If the notice for an expedited review is not in writing, the IRO must provide written confirmation within 48 hours after the date of providing the notice.
11. Upon receipt of a notice of a decision by the IRO reversing the *adverse benefit determination*, we will approve the covered benefit that was the subject of the *adverse benefit determination*.

5. Waiver any of your obligations under the *contract*.

Non-Waiver

If *we* fail to enforce or to insist on strict compliance with any of the terms, conditions, limitations or exclusions of the *contract* that will not be considered a waiver of any rights under the *contract*. A past failure to strictly enforce the *contract* will not be a waiver of any rights in the future, even in the same situation or set of facts.

Rescissions

No misrepresentation of fact made regarding a *member* during the application process that relates to insurability will be used to void/rescind the coverage or deny a claim unless:

1. The misrepresented fact is contained in a written application, including amendments, signed by a *member*;
2. A copy of the application, and any amendments, has been furnished to the *member(s)*, or to their beneficiary; and

Conditions Prior to Legal Action

On occasion, *we* may have a disagreement related to coverage, benefits, premiums, or other provisions under this *contract*. Litigation is an expensive and time-consuming way to resolve these disagreements and should be the last resort in a resolution process. Therefore, with a view to avoiding litigation, *you* must give written notice to *us* of *your* intent to sue *us* as a condition prior to bringing any legal action. *Your* notice must:

1. Identify the coverage, benefit, premium, or other disagreement;
2. Refer to the specific *contract* provision(s) at issue; and

3. Include all relevant facts and information that support *your* position.

Unless prohibited by law, *you* agree that *you* waive any action for statutory or common law extra-contractual or punitive damages that *you* may have if the specified contractual claims are paid, or the issues giving rise to the disagreement are resolved or corrected, within 30 days after *we* receive *your* notice of intention to sue *us*.
